MEMORANDUM OF LAW

1) The Executor Office is the "Court" as the Sovereign is in equality. Definition of Court in the Black's Law Dictionary, 4th edition, states that, "The Sovereign with their real retinue -wherever they may be - is the Executor Office."

2) The Executor Office always deals with the administrative office because the Executor's Office is a Court. It is an administrative office, but it is a judicial office, also.

3) The Executor Office is or appears to be as high or higher than the term of Sovereign, i.e. ruler, Pope, King, or any other illusion of Man's superiority as some understand it; therefore, the Executor Office has no reason or need to ever consider a legal action from a lower system as the Office has the authority to submit either an order or request to lower office enforcement holders to perform corrective actions.

EXECUTOR:

(a) **General Executor:** "A general executor is one who is appointed to administer the whole estate without any limit of time or place or of the subject matter." [*Bouvier's Law Dictionary, 1856 edition*]

(b) **General Executor:** "One whose power is not limited either territorially or as to the duration or subject of his trust." [*Black's Law Dictionary, 1st Ed.*]

(c) **Executor:** "He to whom another commits by will the execution of his last will and testament." [*William C. Anderson, A Dictionary of Law (1893)*]

(d) **General Executor:** "An executor whose power is unlimited as to time, place, or subject matter." [*William C. Anderson, A Dictionary of Law (1893)*]

(e) **Executor De Son Tort:** "Executor of his own wrong. A person who assumes to act as executor of an estate without any lawful warrant or authority but who, by his intermeddling, makes himself liable as an executor to a certain extent. If a stranger takes upon him to act as executor without any just authority, (as by intermeddling with the goods of the deceased, and many other transactions,) he is called in law an 'executor of his own wrong', de son tort. 2 Bl. Comm. 507." [*Black's Law Dictionary, 1st Ed.*]

(f) **Probate:** "The actor process of proving a will. The proof before an ordinary, surrogate, register, or other duly authorized person that a document produced before him for official recognition and registration and alleged to be the last will and testament of a certain deceased person is such in reality." [*Black's Law Dictionary, 4th Ed.*]

(g) **Estate:** "The word 'estate' is a word of the greatest extension and comprehends every species of property, real and personal. It describes both the *corpus* and the extent of interest. ... It signifies everything of which riches or fortune may consist." [*Black's Law Dictionary, 4th Ed.*]

G (1) The Estate is in the nature of a trust but is not a trust. The Estate is subject to trust law and is affected by probate law. Probate Law is the highest form of law. Scripture is trust and estate law and trumps all other law, i.e., Treaty, Civil, Criminal, Law of Nations, Domestic, Probate, Equity. It is just made-up rules for the world game for lawyers to control everything. True law has to be simple and must work equally for everyone, i.e., equality.

G (2) The Estate is a realm of action that is a combining of the physical and spiritual aspects of each individual. The Estate is older than any form of law or legal issue that is in or around the world today and has been passed down through generations, having come from Most High [God]. As such, no form of law, other than scripture, can access or penetrate the truth of the Estate.

G (3) A trust is a contract and pursuant to the constitution for the united states of America, Article 1, Section 10 which reads, "No state shall pass any law impairing the obligation of contracts." In essence, an Estate or trust (contract) is private law between the parties thereto. No one, not even the courts, have the authority to look into the business of the Estate.

G (4) The courts do not have jurisdiction (in *personam* or in subject matter) over the Estate. The only probate court possible to bring a claim into is the one described on the Birth Certificate of WARREN KIRKLAND, ESTATE/ TRUST.

G (5) By using the words "Executor" or "Estate", I, Warren: Kirkland, am the Creditor. Creditors have immunity from the debtor.

G (6) Notice is hereby given by the General Executor and Guardian of the Estate. No other office or other officer except those duly appointed by the General Executor and Guardian possesses any lawful rights or authority as an agent, administrator, trustee, or guardian of the Estate. Therefore, whether or not a person has acted for the Estate through a position of custodian, protector, steward, keeper, guardian, attorney-in-fact, or any other title or capacity, we hereby pronounce any and all assumed authority and all positions who have acted, now and then, without written consent or proof of a deceased Estate as a De Son Tort, thereby making any and all acts and liabilities null and void, *Nunc Pro Tunc*. Any administration on the Estate of a living person is void especially if it is made to appear that the person was in fact alive at the time administration was granted. The administration is absolutely void.

G (7) The ALL CAPS NAME is foreign to the U.S. and the States. It is immune under the Foreign Immunities Act because it has been reclaimed for cause by the Executor in Trust. In 28 U.S.C. § 1300, *et al* (F.S.I.A.), "Foreign State" means "Foreign Estate".

Anyone refuting any of the aforementioned issues must do so on the public record in writing by way of sworn written affidavit under penalties of an assessment of \$1,000,000.00 for each issue and occurrence of perjury, false and misleading information, and/or unproven misleading statements or assertions. No other refuting documents will be accepted. Failure to respond within ten (03) days will be agreement and estoppel.

NOTICE TO THE AGENT IS NOTICE TO THE PRINCIPAL.
